Subject: Lagunitas School District Confirmation of response

Dear Mr. Hamilton-Roth,

Today I received a letter from you asking for confirmation that the Lagunitas School District has implemented Recommendations R1, R4 and R5 from our response to the Grand Jury Report, Marin Schools Fail to Beat Bullies.

Please consider this notice that we have implemented all of the listed recommendations and will continue to be vigilant and proactive in continuing our efforts to beat bullies, figuratively speaking.

John Carroll, Superintendent
Lagunitas School District
