Dear Grand Jury Foreperson,

Below, please find the Tamalpais Union High School District's response to your letter dated January 18, 2016 regarding our response to the report titled "Marin Public Schools Fail to Beat Bullies."

In response to recommendation R3: TUHSD anti-bullying policies are directly linked to each website associated with a school site as well as the district's main website, as can we seen here: <http://www.tamdistrict.org/tamdistrict>

In response to recommendation R4: all procedures necessary for filing a complaint are outlined in our anti-bullying polices, linked above. Furthermore, the district has a direct link to all complaint forms linked on the websites as shown here: <http://www.tamdistrict.org/domain/1119>

In response to recommendation R5: the district provides the forms on our website, however we do not currently have the ability to provide fillable forms that can be submitted directly via the website. Complying with this recommendation would require resources and time that the district does not currently have allocated.

In response to recommendation R6: The district includes anti-bullying education programs for both parents and students via classroom curriculum and parent education information sessions that are co-sponsored with our parent-teacher-student-associations.

Thank you,
Tara Taupier, Ed.D
Assistant Superintendent of Educational Services
