Re: Grand Jury Report Entitled "Police Firearm Security"

Dear Mr. Hamilton-Roth,

Thank you for your follow up letter dated February 1, 2017, related to this report. The current status of the police department's intent to implement selected recommendations are as follows:

R2. Marin County Sheriff's Office and Police Departments should make public the number and circumstances of all firearms that have been lost or stolen from law enforcement and personal vehicles.

As stated in its response to the Grand Jury report in July 2016, The Sausalito Police Department agrees with this recommendation. However, this recommendation has not been implemented as there are no lost or stolen firearms from either Sausalito Police vehicles or the personal vehicles of Sausalito police personnel.

Sincerely,

Lilly Whalen
