Recommendation 2: The Agency should file and keep updated its Statement of Facts with the California Secretary of State and the Marin County Clerk as required by California Code §53051

Recommendation will not be implemented because it is not warranted or reasonable.

California Government Code §53050 defines "public agency" as follows:

53050. The term "public agency," as used in this article, means a district, public authority, public agency, and any other political subdivision or public corporation in the state, **but does not include the state or a county, city and county, or city.**

Cities are not required to file a Statement of Facts; therefore, the City of Larkspur will not be implementing the recommendation because it is not warranted.
