**SUBJECT: Follow-Up Response to Civil Grand Jury Report Entitled 2015-16 Web Transparency Report Card: Bringing Marin County's Local Governs to Light**

Dear Foreperson Pro Tem Hamilton-Roth:

I am in receipt of your letter dated September 27, 2016. I am unclear why your auditor had difficulty finding the requested appropriate information from our website. I took the time to complete the on-line web form so I'm hoping that that will assist the auditor.

Regarding, "Recommendation R3: The agency should update its website to include information of the annual compensation of its elected officials, officers and employees; and this information should also be submitted to the Controller, as required by Sections 12463 and 53909 of the California Government Code." and your comment that "*Our auditors did not find necessary information about compensation on your website.*"

As cited a couple of times on our website, we have NO employees and our Board Members receive NO stipend, NO compensation, and NO reimbursement. We have no relevant information to provide to the Controller which is why we are not on their website.

Should the members of the Grand Jury require additional information, please feel free to contact me at [michael@michaelsfrank.com](mailto:michael@michaelsfrank.com) or at (415) 798-6073. I am happy to assist your auditor and point them in the right direction.

Sincerely,

Michael S. Frank, Executive Officer  
Marin General Services Authority
