RE: 2015-16 Web Transparency Report Card

Dear Mr. Hamilton-Roth:

This letter serves as a follow up to my October 19, 2016 letter related to your request that my office provide resources to help the Union and Lincoln rural districts improve their web transparency and revise their responses to Recommendations 1 and 3 of the report.

Since receipt of your request, the online self-audit report has been submitted on behalf of the three rural school districts (Lincoln, Union, and Laguna). The rural school district websites are supported by the Marin County Office of Education and, as a result, will benefit from an upcoming website renovation plan that is in process and expected to launch in 2018.

As for the recommendation to provide annual compensation of employees on the website, a link to the state's Transparent California website (<http://transparentcalifornia.com/>) can be added to the District's website as a part of the website renovation project.

Thank you for your service to Marin County.

Sincerely,

Mary Jane Burke
Marin County Superintendent of Schools
