Dear Ms. Harrison:

The referenced reports requests Marin Municipal Water District (MMWD) Financing Corporation respond to Recommendations R1 and R3:

- **R1:** The agency should improve its web transparency score to “B-“ (or better), by updating its website and submitting the appropriate self-audit form. The form may be obtained by emailing: [grandjury-audit@marincounty.org](mailto:grandjury-audit@marincounty.org).
- **R3:** The agency should update its website to include information of the annual compensation of its elected officials, officers and employees; and this information should also be submitted to the Controller, as required by Sections 12463 and 53909 of the California Government Code.

Response:

- **R1:** This recommendation has been implemented. Please refer to <http://marinwater.org/449/Financing-Corporation> to find all website criteria recommended by the Marin County Grand Jury.
- **R3:** The full extent of this recommendation has been implemented. Please refer to <http://www.marinwater.org/250/Salaries> to find the data or links to the data which can be found on the State Controller’s website. Please note that MMWD routinely submits full compensation costs, including salary plus benefits, with the State Controller as required by Sections 12463 and 53909 of the California Government Code.

This response was formally agenized at a public meeting of the MMWD Financing Corporation board on August 16, 2016.

Sincerely,

Krishna Kumar
