Re: 2015-16 Web Transparency Report Card – Request for Response

Dear Ms. Harrison:

The referenced reports requests Marin Municipal Water District (MMWD) respond to Recommendation R3:

- The agency should update its website to include information of the annual compensation of its elected officials, officers and employees; and this information should also be submitted to the Controller, as required by Sections 12463 and 53909 of the California Government Code.

Response: The full extent of this recommendation has been implemented. Please refer to <http://www.marinwater.org/250/Salaries> to find the data or links to the data which can be found on the State Controller's website. Please note that MMWD routinely submits full compensation costs, including salary plus benefits, with the State Controller as required by Sections 12463 and 53909 of the California Government Code.

This response was formally agendized at a public meeting of the MMWD Board of Directors on July 5, 2016.

Sincerely,
