Marin County Civil Grand Jury
3501 Civic Center Drive
Room #245
San Rafael, CA 94903

To Whom it May Concern:

Pursuant to Penal code section 933.05, the grand jury requested the Ross Valley School District respond to the following Recommendations identified on Page 12 of the 2017-18 Marin County Civil Grand Jury Report: Yellow School Bus for Traffic Congestion Relief:

Recommendation #7: School districts (with or without YSB programs) and municipalities within the urbanized area of the County should join and actively participate in the YSB committee providing guidance to Marin Transit on YSB issues, such as costs allocations, bell times and routes. The initial meeting should be held by October of 2018.

Response: The District will participate in the committee as recommended by the Grand Jury.

Recommendation #8: The YSB committee should work toward the establishment of a coordinated YSB for K-8 program for the urbanized areas of Marin with the goal of beginning the coordinated program by the 2019-2020 school year.

Response: The District has met with various entities, including Marin Transit, regarding the YSB issues over the past four years upon Golden Gate Transit removing routes serving the Sir Francis Drake Boulevard corridor. The District feels that it cannot deviate from its core mission to educate students. Entering into agreements and committing resources to transportation, whether it be personnel or financial, to anything beyond participation in the committee is simply not within the Districts expertise or capacity.
