Subject: 2019-2020 Marin County Civil Grand Jury Report: Follow-Up Report on Web Transparency of Agency Compensation Practices

Dear Honorable Judge Andrew Sweet,

Please be advised that the Homestead Valley Sanitary District is in receipt of your email dated, April 28, 2020.

In response to the Grand Jury Findings F3, F4, and F5 and Recommendations R3, R4, R5 and R6 the Homestead Valley Sanitary District <http://homesteadvalleysd.org/>, is already in compliance with GC 53908. The <http://publicpay.ca.gov> link was implemented to the District's website in 2014. We have updated the link so that it goes automatically to the current report rather than a specific year as recommended. We have also added a link that goes specifically to compensation for District directors.

With regard to R6, the District does not pay Directors compensation beyond a meeting stipend and the associated FICA payments. We do not pay for retirement or healthcare benefits for any employee or director; therefore all compensation information is available directly on the Government Compensation website via the links on our website.

Please feel free to contact the District if you have any further questions.

Respectfully,

Bonner Beuhler
District Manager
