Dear Friends of Novato Unified School District,

We are excited to invite you to participate in a public visioning process to identify the most practical and innovative use of Parcel 1A at Hamilton. This project is anticipated to benefit the entire community.

The 9.22 acre site, located in the flat land of the old Hamilton Air Force Base, at 901 C Street, Novato, CA 94949. The opportunities at this location are vast; however, as required by the stipulations of the Federal program from which this property was acquired, the space must be used for educational purposes.

The following public meetings will be held from 4:00 to 7:15 pm at the Novato Unified School District Office, Room 107, located at 1015 Seventh Street, Novato, CA 94945:

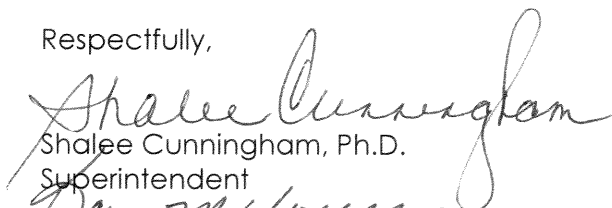

September 25, 2013	4:00-7:15 p.m.	Room 107, District Office
October 9, 2013	4:00-7:15 p.m.	Room 107, District Office
November 13, 2013	4:00-6:15 p.m.	Room 107, District Office

Please confirm your interest in attending these meetings by contacting Gladys Batz: (415) 493-4244 or gbatz@nUSD.org.

During the first meeting, scheduled for September 25, 2013, we will discuss the site's history, constraints and opportunities. We will also discuss how the site could be developed to best achieve our goals and vision, and collaborate to select sustainable strategies that could become educational, interactive experiences integrated into the site's design and uses, reinforcing the values and instructional goals for 21st Century learning.

We look forward to your participation.

Respectfully,

Shalee Cunningham, Ph.D.
