

CHAPTER SEVEN

LIST OF PREPARERS, LIST OF AGENCIES, AND PERSONS TO WHOM COPIES ARE SENT

7.1 LIST OF PREPARERS

This section lists the individuals who assisted in the preparation of this Supplement to the Final Environmental Impact Statement (SEIS), a list of the individuals and agencies that received the SEIS, and locations of where the SEIS were made available for public review.

As required by Federal Aviation Administration (FAA) Order 5050.4B, *National Environmental Policy Act (NEPA) Implementing Instructions for Airport Actions*, and Order 1050.1F, *Environmental Impacts: Policies and Procedures*, the names and qualifications of the principal persons involved in preparation of this SEIS are identified in this chapter. It should be noted that, in accordance with Section 1502.6 of the Council on Environmental Quality (CEQ) regulations, the efforts of an interdisciplinary team, consisting of technicians and experts in various fields, were required to accomplish this study. Specialists involved in this SEIS included those in such fields as airport planning; noise assessment and abatement; land use planning; air quality; water quality; biology; historic, architectural, and archaeological resources; and other disciplines. It should also be noted that, while an interdisciplinary approach has been used, all decisions made with regard to the content and scope of this SEIS are those of the FAA.
