

APPENDIX J-1 WETLANDS

The U.S. Army Corps of Engineers (USACOE) issued a CWA and RHA jurisdictional determination for Gness Field in August 2009. A copy of the jurisdictional wetland determination letter and map from the USACOE is included in Appendix J, *Wetlands*. The USACOE determined all wetlands on the Airport are within CWA jurisdiction and a portion of the wetlands on the Airport are also within RHA jurisdiction. The Airport Sponsor will re-verify the CWA jurisdictional determination during project design and CWA permit processing.
