SIGNATURE:

I hereby authorize employees, agents, and/or consultants of the County of Marin to enter upon the subject property upon reasonable notice, as necessary, to inspect the premises and process this application. I understand that in cases where the development site is large or cannot be easily seen or accessed from the nearest public road, the Department of Public Works Director may determine that a publicly noticed site inspection by the decision maker is necessary. In this instance, I hereby authorize the conduct of such inspections of the premises upon reasonable notice.

I hereby authorize the Department of Public Works to reproduce plans, reports, and exhibits as necessary for the processing of this application. I understand that this may include circulating copies of the reduced plans and supporting documentations/reports for public inspection. Multiple signatures are required when plans are prepared by multiple professionals.

I hereby certify that I agree to do work in accordance with Marin County Code § 23.08 Excavating, Grading, and Filling and the rules, regulations, and general/special conditions of the Marin County Department of Public Works subject to its inspection and approval.

I hereby certify that I have read this application form and that to the best of my knowledge, the information in this application form and all the exhibits are complete and accurate. I understand that any misstatement or omission of the requested information or of any information subsequently requested shall be grounds for rejecting the application, deeming the application incomplete, denying the application, suspending or revoking a permit issued on the basis of these or subsequent representations, or for the seeking of such other and further relief as may seem proper to the County of Marin. I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct and that this application was signed at
