Marin County Community Garden Summit

FRIDAY, APRIL 29, 2011

8:30 A.M. - 2:30 P.M.

PICKLEWEED COMMUNITY CENTER

50 CANAL ST., SAN RAFAEL

Community gardens of all types are a growing presence in Marin County, and much work remains before the demands for new gardens are met.

Please join us and community garden stakeholders from Marin and beyond to support, cultivate, and develop community gardens in our county.

Attendees can interact with speakers and panelists, enjoy a locally produced lunch, and tour the Canal's community gardens.

*A donation of \$5.00 will help provide lunch and translation services.
Free parking!*
