

# QSD/QSP Training Course for the California Construction General Permit

September 21-23, 2010

9:00 a.m.-5:00 p.m.

Sonoma Veterans Memorial Building  
126 First Street West, Sonoma, CA

Presenter: David Franklin of EnviroTech Services

## *Workshop Schedule*

### **QSP/QSD Modules 9/21 & 9/22**

1. Training Overview and Regulations
2. Erosion Processes and Sediment Control
3. SWPPP Implementation
4. Monitoring
5. Reporting

### **QSD Only Modules 9/23**

6. Project Planning and Site Assessment
7. SWPPP Development and PRDs
8. Project Closeout

### **Who Should Attend?**

Individuals having prior experience with stormwater regulations and BMPs

The purpose of this course is to help prepare individuals intending to take the QSP/QSD Exam procured by Regional Water Boards at separately scheduled events.

This course will also help attendees understand and comply with the California Construction General Permit and may include the following:

- .. Hands-on demonstrations (i.e. sampling, risk assessment)
- .. Visuals from actual construction sites to better demonstrate implementation
- .. Direct citations of permit requirements
- .. Interactive learning
- .. Individual problem solving and comparisons

### **Registration fee includes lunch and handouts:**

3-day QSD \$450

2-day DSP \$350

Municipal Agency Staff 3-day QSD \$300

Municipal Agency Staff 2-day QSP \$200

Workshop Sponsored By:

Marin, Napa, Sonoma,  
and Solano Stormwater  
Association (MNSSSA)

All registration is through EnviroTech Services. Contact [info@envirotechservices.biz](mailto:info@envirotechservices.biz) for a registration form or call (916)849-2028. **Space is limited!**
