\$228.51

Dear Volunteers and Employees at the MCS PPP

We are Eighth graders at Del Mar Middle School in Tiburon. As part of a science project to raise awareness for environmental - non-profit organizations, we had a cookie lemonade fundraiser for the MCSPPP in our community. Enclosed you will find a cashier's check in the amount of \$228.51 which we are donating to the MCSPPP.

Thank you for all the work you are doing for all of us.

Sincerely,

Nicole Mavromihalis, Mary Monda Dewel, and Chloe Shelton

Corte Madera Dear Nicole, Mary, and Chloe:

County of Marin

What a wonderful surprise to have received your check for \$228.51 in June. And, what's even more gratifying is that you chose MCSTOPPP as the recipient of your hard work. We are very honored that you have thought of us.

Fairfax

Larkspur

Because the money came from students, we thought it should go back into serving them; so, we are going to use the funds to refurbish our diorama – a working model of a watershed. (See photo below.)

Mill Valley

Novato

Ross

San Anselmo

San Rafael

Sausalito

Tiburon

The diorama is used to educate students on how pollution gets into our waterways.

Perhaps one – or all three – of you remember “making rain” and watching it carry pollution to local creeks and the Bay.

The diorama is very popular with students and is sorely in need of some repairs. Your contribution will make that possible!

Thank you so much for your interest in protecting our water and wildlife – and for your generous contribution.

Sincerely,

MCSTOPPP Staff

Terri Fashing, Gina Purin, Howard Bunce

Three handwritten signatures in blue ink, corresponding to the names listed above: Terri Fashing, Gina Purin, and Howard Bunce.

Tiburon

I just wanted to inform you of the marvelous display of social activism conducted by three of your eighth grade students from last year (Nicole Mavromihalis, Mary Monda Oewel, Chlor Shelton). As part of a science project, the students were asked to raise awareness of an environmental or nonprofit organization. They apparently conducted a cookie and lemonade community fundraiser. In June, we received a cashiers check for \$228.51, along with an explanatory note, thanking MCSTOPPP for our work.

While the students certainly deserve applause for their sense of community support and interest in the environment, the teacher who inspired them also deserves praise. Unfortunately, we don't know who that is but we do want to thank you – and your teachers – for making Del Mar School a place where students learn the connection between community, volunteerism, and the environment.

Please note that the money will be used to refurbish our diorama – a working model of a watershed that is used to educate students throughout Marin. Know that MCSTOPPP staff – and all the cities/towns and unincorporated areas of Marin – are very appreciative.

Sincerely,

A handwritten signature in blue ink that reads "Terri Fashing".
