

Napa County Stormwater Pollution Prevention Program presents:

Low Impact Development in Action

Tuesday, February 14th

9:00 a.m. to 2:30 p.m.

The Pelusi Building, 2296 Streblow Drive, Napa

This workshop will feature speakers from Bay Area municipalities that have installed Low Impact Development (LID) projects. Topics covered will include:

- ~ Why LID instead of “standard” practices?
- ~ What are the challenges of implementation?
- ~ How does O&M of the LID project differ from O&M of a “standard” project?
- ~ How does the public perceive the project?
- ~ Is the project working as expected?

AGENDA

9:00 –9:30	<i>Registration & Refreshments</i>
9:30-10 :00	<i>Update on the Phase II Permit</i>
10:00-11:30	<i>Site selection, design, and construction of LID projects</i>
11:30-12:30	<i>LUNCH (provided)</i>
12:30-1:15	<i>Field Example from City of El Cerrito</i>
1:15-2:00	<i>Field example from Marin County</i>
