

IMPORTANT NOTICE FROM THE PUBLIC WORKS DEPARTMENT

June 2012

Re: Mandatory Maintenance of the Right-of-Ways and Private Roads

Dear Property Owners:

As we do every year, the time has come to ask for your help in keeping our pathways and drainage ways clear, and our Town fire safe and beautiful. It is the responsibility of the property owners to maintain their section of the right-of-way from their property line to the edge of the roadway (Ross Municipal Code, Section 12.12.015). All watercourses must be kept free of debris and obstructions. If you have a public pathway behind or alongside your property, it is also your responsibility to keep it clean, safe and unobstructed.

It should be noted that it is the responsibility of the property owners to maintain the private roads. Lack of maintenance may cause landslides and other infrastructure problems. If you have questions please call or email me. We greatly appreciate your attention to this matter.

Sincerely,

Bob Hemati

Director of Public Works
