Should the funds not be appropriated County may terminate this Contract with respect to those payments for which such funds are not appropriated. County will give Contractor thirty (30) days’ written notice of such termination. All obligations of County to make payments after the termination date will cease.

Where the funding source for this Contract is contingent upon an annual appropriation or grant from the Marin County Board of Supervisors, the State of California or other third party, County's performance and obligation to pay under this Contract is limited by the availability of those funds. Should the funding source for this Contract be eliminated or reduced, upon written notice to Contractor, County may reduce the Maximum Cost to County identified in section 4 to reflect that elimination or reduction.

15. RELATIONSHIP BETWEEN THE PARTIES:

It is expressly understood that in the performance of the services herein, the Contractor, and the agents and employees thereof, shall act in an independent capacity and as an independent Contractor and not as officers, employees or agents of the County. Contractor shall be solely responsible to pay all required taxes, including but not limited to, all withholding social security, and workers’ compensation.
