MEASURE K**

If this Measure is approved by a majority of voters, the appropriations limit for the Marinwood Community Services District will be increased in the amount of the special tax for each of the fiscal years beginning July 1, 2003, through and including June 30, 2007.

ARGUMENT IN FAVOR OF MEASURE K

Every four years, the voters of Marinwood Community Services District must pass this measure to authorize the continued use of taxes collected for paramedic service. Without this authorization, not one cent of taxes can be spent for this vital service, even though the voters have approved the taxes.

Measure K will not increase taxes above the limits approved by the voters of Marinwood Community Services District.

A "YES" vote will last for four years, at the end of which time the spending of paramedic service funds must again be authorized.

Your Marinwood Community Services District Directors and Fire Commissioners urge you to vote **YES** on Measure K.
