**ARGUMENT IN FAVOR OF MEASURE H**

For over 22 years, County Service Area No. 13 (Upper Lucas Valley) has contracted with the City of San Rafael for paramedic services. A YES vote on Measure H will ensure that all households will continue to receive the protections and benefits of this vital lifesaving service. The approval of 2/3 of those voting is required to pass this measure.

This measure authorizes continuation of the paramedic charge and sets the maximum amount at \$85.00 per year. For the last four years the maximum amount was \$61.00 which we are currently paying.

In order to account for future cost increases, this measure provides the authority to increase the maximum amount to \$85.00 over four years.

If this measure does not pass by a 2/3 majority, the City of San Rafael can terminate paramedic service to our community.

We urge a "YES" vote to maintain this vital service to our Lucas Valley Community.
