**MARINWOOD COMMUNITY SERVICES
DISTRICT APPROPRIATIONS LIMIT INCREASE**

If this measure is approved by a majority of the voters the appropriations limit established for the Marinwood Community Services District will be increased for each of the fiscal years 2009-10 through 2012-13 in the amount equal to the revenue received from the special tax for park maintenance services previously approved by the voters in March, 2005.

ARGUMENT IN FAVOR OF MEASURE G

Every four years, the voters of Marinwood Community Services District must pass this measure to authorize the continued use of taxes collected for park and street landscape maintenance. Without this voter authorization, not one cent of the taxes collected for these essential services can be spent, even though the voters have approved them.

Measure G is not a new tax. It will not increase taxes above the limits approved by the voters of Marinwood Community Services District.

A "YES" vote will last for four years, at the end of which time the spending of park and landscape maintenance funds must again be authorized.

Your Marinwood Community Services District Directors and Park and Recreation Commissioners urge you to vote **YES** on Measure G.
