Dear Board Members and Commissioners:

RECOMMENDATION:

- 1. Accept presentation

SUMMARY: Your board and commission are meeting jointly today to hear a staff presentation concerning the Open Space District's draft Vegetation and Biodiversity Management Plan. Staff's presentation is the culmination of several years of work, and will describe the District's proposed long term approach to the management of vegetation in all 34 open space preserves throughout the county.

This meeting is not part of the environmental review process for this project. Staff will lay out the next steps in the process of completing the plan and fulfilling environmental review requirements during the presentation.

FISCAL IMPACT: None
