## **Marin County Board of Supervisors**

Response to Findings and Recommendations from Grand Jury Report  
"What are Special Districts and Why Do They Matter?"

### **FINDINGS:**

**Statement regarding findings**, the County Board of Supervisors, through the Department of Finance, provides the following information:

**F1. A complete list of all Special Districts in Main County (both independent and dependent) did not exist when the Grand Jury began its investigation; therefore, the residents of Marin did not have easy access to data related to special districts in their location.**

Response: Agree.

### **RECOMMENDATIONS:**

**The 2013-2014 Marin County Civil Grand Jury recommends that:**

**R1. The County of Marin add a page to its website listing all Special Districts in Marin County (both independent and dependent) with contact information and a link to the Marin LAFCO website for those Districts that fall within Marin LAFCO's jurisdiction.**

Response: This recommendation has not yet been implemented, but will be implemented. A listing of Special Districts will be added to the Department of Finance webpage.
