Supervisor Katie Rice

Dear Colleagues:

Lt. Aristotle Wolfe, Acting Commander of the California Highway Patrol, Marin Area office (CHP) has requested time on our agenda to introduce himself and to update our board, County staff and residents about the CHP's services, programs, and activities supporting community safety.

As is the case with our own Marin County Sheriff's office, the CHP provides essential public safety services to our communities, providing helpful assistance throughout Marin County.

Of particular note, the CHP's Special Enforcement team has been active patrolling our traffic and safety "hot spots" throughout unincorporated Marin County. By attending Safe Routes to School Task Force meetings in every school district in the County, CHP officers keep up to date and informed of our local traffic and parking concerns, especially around our many school campuses. Their presence, on motorcycles and in vehicle patrols, helps keep us all driving safer, alert to one another and mindful of our responsibility to drive with care and with bicyclists and pedestrians in mind.

We look forward to hearing more about the CHP, Marin Area office's service and their outreach efforts on our behalf. We also look forward to taking the opportunity to thank Lt. Wolfe and the Marin Area officers for their diligence and dedication to enhancing the safety and security of us all.

Best regards,

Kate Sears
Supervisor, Southern Marin
