**Marin County Board of Supervisors**  
Response to Findings and Recommendations from Grand Jury Report  
*"The 911 First Responder Referral Program: More Than a Band-Aid For Seniors"* – (June 9, 2016)

**RECOMMENDATIONS**

**The Marin County Civil Grand Jury recommends that:**

**R1. Marin County fire chiefs should implement the *911 First Responder Referral Program* County-wide.**

This recommendation has not been implemented but will be implemented by January 1, 2017. Marin's fire agencies provide 911 first responder and transport ambulance emergency medical response throughout Marin County. The Marin County Fire Chiefs Association is working in collaboration with the Marin County Department of Health and Human Services and the Marin County Police Chiefs Association to coordinate the implementation of the program across all of Marin's first responder agencies.

**R2. Marin County fire chiefs should create a community outreach campaign for the *911 First Responder Referral Program*.**

This recommendation has not been implemented but will be implemented by January 1, 2017. The Marin County Fire Chiefs Association and the Marin County Department of Health and Human Services will be working in collaboration to develop a community outreach and education video public service announcement to introduce the program to Marin's residents.

**R4. Marin County paramedic agencies should have their emergency first responders attend the *911 First Responder Referral Program* training.**

This recommendation has not been implemented but will be implemented by January 1, 2017. Specifically, the West Marin Paramedic Community Service Area No. 28 will have emergency first responders attend shortly after implementation.
