SUBJECT: Update from the Department of Health and Human Services, Division of Social Services regarding the Aging Action Initiative (AAI).

Dear Supervisors:

RECOMMENDATION:

1. Receive Department of Health and Human Services, Division of Social Services update on the Aging Action Initiative (AAI).

SUMMARY: The Board founded and funded Aging Action Initiative (AAI) began its third year during FY 2015-16. With over 60 organizations and a community based Steering Committee, we are expanding our aging services network, strengthening our aging services infrastructure and addressing specific matters such as Mental Health, Care Coordination and Dementia.

During the Area Agency on Aging's Area Plan 2016-2020 presentation on May 3, 2016, Director Lee Pullen noted the AAI Steering Committee would welcome an opportunity to present an update on the AAI's accomplishments, progress and plans at a later date.

Today, the Department returns to provide your Board with this update.

FISCAL IMPACT: There is no fiscal component associated with the acceptance of this report.
