Vehicle Code Section 21101(c) allows the Board of Supervisors to adopt parking restrictions for specified vehicles for all or designated periods of the day. On January 24, 2017, your Board adopted an ordinance that established certain parking restriction options that can be applied to specific County maintained roads. The ordinance, which will go into effect on February 23, 2017, included the following options:

To address the above concerns staff recommends establishing the following parking restrictions:

Reprographic Services

- 1) Woodland Avenue from the west Auburn Street intersection to the east Auburn Street intersection except along the frontage of parcels APN 018-085-19 and APN 0180085-20 - No parking of all vehicles between 11:00 p.m. and 5:00 a.m.

Road Maintenance

Stormwater Program

Transportation & Traffic Operations

Waste Management

- 2) Auburn Street from the west Woodland Avenue intersection to the east Woodland Avenue intersection - Parking of automobiles, motorcycles or pick-up trucks only between 11:00 p.m. and 5:00 a.m.
- 3) Marinwood Avenue from Miller Creek Road south to the end of the County maintained road - Parking of automobiles, motorcycles or pick-up trucks only between 11:00 p.m. and 5:00 a.m.

If your Board adopts this resolution, signage noticing the parking restrictions will not be installed until February 23, 2017.

**FISCAL IMPACT:** This action will result in the installation and ongoing maintenance of new signage. Existing funds are budgeted and available in Road Org 21625531. There is no impact to the General Fund by this action.
