SUBJECT: Update from the Department of Health and Human Services on our Strategic Plan to Achieve Health and Wellness Equity.

Dear Supervisors:

RECOMMENDATION:

1. Receive report from Department of Health and Human Services regarding its Strategic Plan to Achieve Health and Wellness Equity.

SUMMARY: The *All in Marin*, the Health and Human Services (HHS) Strategic Plan to Achieve Health and Wellness Equity has four focus areas: Client, Community, Conditions, and Quality. This plan reflects the multiple perspectives gathered from clients, other community members, community organizations, and prioritizes racial equity. It aligns with the County's 5-year business plan and other equity efforts throughout the county.

HHS will address racial equity through:

- Delivering culturally proficient services;
- Supporting communities in generating change;
- Addressing conditions such as climate change and trauma;
- Improving the quality of direct HHS interventions.

FISCAL IMPACT: There is no fiscal component associated with the acceptance of this report.
