Dear Supervisors:

RECOMMENDATION: Request from Department of Finance to adopt a Resolution determining the FY 2020-21 appropriations of tax proceeds pertaining to the County of Marin in accordance with Article XIII-B of the State Constitution (Proposition 4 Gann Initiative).

SUMMARY: The Department of Finance has calculated the appropriations limit pertaining to the County of Marin for the FY 2020-21. Based on County Counsel opinion, Special Districts governed under the Board have been rolled into the calculation and are part of this presentation. The aggregate tax proceeds limit for both County and Special Districts governed by County Board is \$371,146,421; and proceeds subject to the limit are \$226,822,902. For your reference, Attachment A provides a description of tax proceeds, non-tax proceeds, and revenues subject to allocation between tax proceeds and non-tax proceeds.

The Marin County Transit and Marin Open Space District are not included in the attached schedule since they are exempt from Proposition 4 due to their tax rate being under 12.5 cents per \$100 of assessed value for the fiscal year 1977-78.

Tax proceeds allocated to the County by the Marin Wildfire Protection Authority (MWPA) are not subject to the Gann Limit per MWPA Resolution No. 20-07.

Under the statutes applicable to the Gann Initiative, Article XIII-B, Section 8(e)(2), the change in the California Per Capita Personal Income has been utilized.
