Board of Supervisors  
County of Marin  
3501 Civic Center Drive  
San Rafael, CA 94903

**SUBJECT:** 2020 Marin County Length of Service Recognition

Dear Board Members:

**RECOMMENDATION:** The Department of Human Resources recommends that your Board recognize employees for their length of service achieved in 2020.

**SUMMARY:** The Board of Supervisors recognizes every year County employees who reach significant milestones of service. These employees have made significant contributions to shape County culture and provide important services to the residents we serve. This year's Length of Service Awards recognize service milestones that County employees reached in 2020 of five, ten, fifteen, twenty, twenty-five, thirty, thirty-five, forty and forty-five years!

Whereas your Board has held special Length of Service recognition events in the past, we have not held these events in 2020 and 2021 due to the COVID-19 pandemic. Instead, each department will coordinate a department event to honor their staff who reached certain service milestones and present them with their award or certificate.

We want to publicly recognize the employees on the following page who achieved their thirty, thirty-five, forty and forty-five years of service as of the 2020 calendar year. We also want to belatedly recognize Sheriff Robert Doyle who achieved his fifty years of service to the County in 2019. We are grateful to all of them and the other honorees for their dedication to public service and to our community.

**FISCAL IMPACT:** Recognition of employees Length of Service does not have a direct fiscal impact.

**EQUITY IMPACT:** The Length of Service Awards program continues to be a program where a diverse group of County employees are recognized for their dedication and service to our residents.
