SUBJECT: Recognition of MarinShares and Marinterns Annual Honorees for Fiscal Year 2021-2022 and Proclamation of April as Volunteer & Intern Recognition Month in Marin

Dear Board Members:

RECOMMENDATION: The Department of Human Resources recommends that your Board award resolutions of commendation to outstanding MarinShares volunteers and Marinterns students for 2020-2021 and proclaim April as Volunteer & Intern Recognition Month in Marin.

SUMMARY: The MarinShares and Marinterns programs present the 2021-2022 honorees to be recognized by the Board of Supervisors and asks that April be proclaimed Volunteer & Intern Recognition Month. The Board, which founded the volunteer program 43 years ago, has hosted recognition ceremonies for annual honorees since 1979-1980.

The Volunteer, Intern, Volunteer Team, Intern Team, Staff Supervisor of Volunteers, and Staff Supervisor of Interns of the Year are being honored with resolutions of commendation. These exemplary individuals and teams are active in four County departments: Health & Human Services, the Marin County Sheriff's Office, the Public Defender's Office, and the Marin County Free Library.

Across the County organization, our volunteers, student interns, and their staff supervisors provide great depth to our organization by participating in important projects and programs. They bring experience, energy, and skills to the County of Marin. During FY 2021-2022, public health guidelines caused many MarinShares and Marinterns participants to remain "on hold," yet a significant number of participants, including this year's honorees, were able to contribute in-person and remotely.

EQUITY IMPACT: With the support of the central MarinShares and Marinterns programs in the Human Resources Department, residents from diverse backgrounds share their time, talents, and skills across the County organization to enhance services to the Marin community.

FISCAL IMPACT: The recognition of annual honorees does not have any direct fiscal impact.
