**SUBJECT: ACCEPT THE 2021 MARIN COUNTY CONSUMER PROTECTION REPORT**

Dear Supervisors:

**RECOMMENDATION:** Accept the 2021 Marin County Consumer Protection Report

**SUMMARY:** This is the 6<sup>th</sup> Consumer Protection Report for Marin County. This report provides an overview of the consumer protection programs under the responsibility of the Department of Agriculture/Weights and Measures. It will be presented each year for acceptance by your Board and made available to consumers and other interested parties. Whenever possible, the department intends to provide the annual presentation of this report to your Board on the Tuesday of National Weights and Measures Week, which is the first week in March each year.

Weights and Measures consumer protection programs touch nearly every aspect of our society and it's vital that consumers and sellers are aware of how their tax dollars are spent every day on protecting their pocketbook to ensure they are getting what they pay for every transaction.

**EQUITY IMPACT:** None

**FISCAL IMPACT:** None
