AB 1185: Community Outreach Working Group Meeting #5 - Marin County, CA
Tuesday, January 3, 2023 – 5:30 p.m. PST

**Present:** Gary Besser (Marin County); Jamillah Jordan (Marin County); Cameron McEllhiney (NACOLE); Curtis Aikens; Stephen Bingham; Jacqueline Dagg; Tara Evans; Steve Knudsen; Cesar Lagleva; Rondall Leggett; Heidi Merchen; Steve Raab; Ashley Raveche; Nancy Weber.

**Absent:** Devera Boyd, Charles Dresow, Jeremy Portje, Christine Soto DeBerry

Cameron ran through the agenda for the evening: an update on the survey, updates from each of the subcommittees, a stipend update, the updated timeline, and future agenda items.

**Survey Update:** 331 surveys have been received as of today’s date, plus 10 paper copies. All but 6 surveys have been taken in the English language, with the remaining six in Spanish. The breakdown of location is as follows: 30% from Novato, 28% from San Rafael, 11% from Mill Valley, 6% San Anselmo, 5% Corte Madera, and 5% from other locations. Cameron shared some of the points of note from an initial review of the surveys that have been received to date.

**Engagement Committee Update:** Curtis, Nancy, Tara, Heidi, Steve are the members of this subcommittee. The committee has put together a spreadsheet of all sorts of groups and organizations that they are going to reach out to. The entire working group has editing capabilities and can add additional organizations to the spreadsheet. Curtis encouraged everyone to take part in a PSA if they are interested or know of someone that would be a good fit to reach a particular community group. The survey will be open through January 16th. A discussion ensued regarding additional times and locations where individuals would be present to hand out surveys.

**Focus Group Committee Update:** Cesar, Jeremy, Curtis, Pastor Leggett, Tara, and Devera are the members of this committee. The committee has divided this work into two groups – a “formal” focus group section, and an “informal” process of canvassing. Jamilah noted the focus groups are scheduled for January 23rd to 28th and ran through a list of potential focus group populations. It is hoped the times and dates will be solidified this week. Cesar shared a brief description of canvassing. It was noted that a small stipend may be able to be given to focus group participants and those who are assisting the committee with canvassing and creating access to those particular groups.

**Drafting Committee Update:** Ashley, Stephen, Tara, Heidi, and Jacqueline are the members of this committee. Ashley noted there has been a draft ordinance/ballot language document but notes a more “community-facing” document needs to be created. It is hoped that the focus groups will help fine tune the materials that will be presented. Stephen encouraged everyone to go in and look at the draft document and make comments in the “suggested edit” mode. Ashley noted she had been in contact with San Francisco’s Department of Police Accountability to determine if some of their duties could be done in this group. Cameron shared the template that will be used to present options to the Board of Supervisors. Stephen suggested one option be provided to the BoS; however, Cameron noted the BoS had asked for multiple options and noted that AB1185 allows for an Inspector General, a Board, or both. Tara
questioned whether the original budget number that was provided was a base level or a maximum level, as each of the potential options has significant differences in personnel and cost. Jamillah noted the budget was not set in stone and everyone was still learning. Cesar noted money should not be a prevailing factor in determining the best option for the county’s oversight mechanism, and he is hopeful that a candid conversation can be held regarding the political ramifications that is transparent and open. Ashley noted there had not been any outreach to the Sheriff’s Office regarding the drafting and she would like to have the assistance of the County Counsel to make that happen.

**Timeline Update:** Cameron shared the new updated timeline, including upcoming meetings. The survey will now close on January 20.

**Stipend Update:** Gary noted stipends would be processed in January for those who had signed up for them.

**Future Agenda Items:** Review of draft options, survey update, focus group outreach and recruitment. Please let Cameron know if there are any additional items. Ashley suggested there be time allotted for an update if there has been a meeting(s) with the Sheriff’s Office.

Meeting adjourned at 7:36 p.m. PST.
