PROJECT INFORMATION

Background

On March 3, 2020, the County of Marin proclaimed a Local Emergency and declared a Public Health Emergency due to COVID-19 Pandemic. Beginning in February 2021, Marin County accepted Federal and State allocations of the Emergency Rental Assistance (ERA1 & ERA2).

Between local, state, and federal funds, Marin County has allocated \$30.1 million to prevent evictions and homelessness related to COVID-19. Earlier in the pandemic, nearly \$6 million from the County and the Marin Community Foundation was distributed to the hardest hit households before state and federal funding began to flow. About \$15 million of the \$30 million received in state and federal funds has been distributed or is already obligated to recipients.

Marin County is seeking to staff an additional team of 10 staff including rental assistance specialists/case managers and a supervisor to expedite the distribution of the remaining rental assistance funds.

General Conditions

The issuance of this solicitation constitutes only an invitation to present responses. The County reserves the right, at its sole discretion, to determine whether or not any aspect of the response satisfactorily meets the criteria established in the solicitation. The County reserves the right to seek additional information and/or clarification from the respondent, the right to confer with any respondent submitting a response and the right to reject any or all responses with or without cause. The County reserves the right to reject any and all responses for failure to meet the requirements contained herein, to waive any technicalities and to select the responses, which, in the County's sole judgment, best meets the requirement of the project. In the event that the solicitation is withdrawn by the County for any reason, the County shall have no liability to any respondent for any costs or expense incurred with the preparation of a response to this solicitation or related work. The County reserves the right, at its sole discretion, to waive any irregularities or informality.

An example of the County of Marin Professional Services Contract is attached to this solicitation. By submitting a response without exceptions, the contracting firm accepts all terms and conditions contained in the agreement attached.

Contract Term

It is the County's intent to award this contract for a "Firm Fixed" amount, for an initial four (4) month term. Ideally the term would begin on or about February 15, 2022 and end on or about June 14, 2022; with an option to extend contract terms for an additional two (2) months.

The County may negotiate extensions with the winning proposer assuming: (a) continued need for the services, (b) good performance on the contractor's part, (c) the availability of funds, (d) the status of the competitive market, and (e) the continuation of services on a reasonable cost basis. A negotiated contract without formal competition is a County prerogative, not a contractual right.

Pricing

Prices quoted shall be firm and fixed through the contract term and shall not exceed the specified amount indicated unless mutually agreed upon.

Minimum Experience Requirement

Proposers are required to have a minimum of three (3) years of experience in commercial or government accounts of the same size and scope as described herein. Any proposer who cannot provide verifiable references for this minimum experience requirement may be considered non-responsive.
