

Measure A Projects and Service Enhancements

Parks and Open Space Program Since Fiscal Year 2013-2014

LOCATION	PROJECT DESCRIPTION OR SERVICE ENHANCEMENT
Adrian Rosal Park	Improved park entrance and installed new site furnishings
Adrian Rosal Park	Installed new waste and recycling receptacles
Agate Beach	Built new inclusive access path
Agate Beach	Installed new signage
Alto Bowl Preserve	Annual control of purple star thistle (invasive plant removal)
Alto Bowl Preserve	Annual defensible space maintenance
Alto Bowl Preserve	Annual fire fuel maintenance
Alto Bowl Preserve	Annual pruning and hazard tree removal for emergency vehicle access
Alto Bowl Preserve	Early detection rapid response of stinkwort (invasive plant removal)
Alto Bowl Preserve	Improved the Bob Middaugh Trail
Alto Bowl Preserve	Improved the Horse Hill Trail
Alto Bowl Preserve	Installed new entry and wayfinding signage
Aramburu Island	Completed vegetation restoration, native planting, shoreline stabilization, invasive plant removal
Bald Hill Preserve	Annual control of purple star thistle (invasive plant removal)
Bald Hill Preserve	Annual defensible space maintenance
Bald Hill Preserve	Annual fire fuel maintenance
Bald Hill Preserve	Annual pruning and hazard tree removal for emergency vehicle access
Bald Hill Preserve	Carried out Redwood Road wildfire protection project
Bald Hill Preserve	Completed Cistern Trail public access improvements
Bald Hill Preserve	Completed Crest Fire Road public access improvements
Bald Hill Preserve	Completed Sky Ranch Fire Road public access improvements
Bald Hill Preserve	Completed Sky Ranch sensitive natural resources surveys and mapping
Bald Hill Preserve	Completed Sky Ranch Trail public access improvements
Bald Hill Preserve	Early detection rapid response of stinkwort (invasive plant removal)
Baltimore Canyon Preserve	Annual control of purple star thistle (invasive plant removal)
Baltimore Canyon Preserve	Annual defensible space maintenance
Baltimore Canyon Preserve	Annual fire fuel maintenance
Baltimore Canyon Preserve	Annual pruning and hazard tree removal for emergency vehicle access
Baltimore Canyon Preserve	Carried out Crown Road to Cornet wildfire protection project
Baltimore Canyon Preserve	Carried out Kent Woodlands wildfire protection project
Baltimore Canyon Preserve	Completed Piedmont Trail improvements
Baltimore Canyon Preserve	Early detection rapid response of stinkwort (invasive plant removal)
Baltimore Canyon Preserve	Installed new dog waste station and signage
Baltimore Canyon Preserve	Installed new entry and wayfinding signage
Bayside Park	Completed park renovation and ADA improvement project
Bel Marin Keys	Removed hazard trees
Black Point Boat Launch	Installed new shade structure and site furnishings (picnic tables, trash/recycling receptacles, bike racks, and bait cutting table)
Black Point Boat Launch	Planted new landscaping
Blithedale Summit Preserve	Annual defensible space maintenance

LOCATION	PROJECT DESCRIPTION OR SERVICE ENHANCEMENT
Blithedale Summit Preserve	Annual fire fuel maintenance
Blithedale Summit Preserve	Annual pruning and hazard tree removal for emergency vehicle access
Blithedale Summit Preserve	Annual purple star thistle control (invasive plant removal)
Blithedale Summit Preserve	Annual thoroughwort control (invasive plant removal)
Blithedale Summit Preserve	Carried out Blithedale Ridge access and fuel break project (wildfire protection)
Blithedale Summit Preserve	Carried out Corte Madera ridge access and fuel break project (wildfire protection)
Blithedale Summit Preserve	Carried out Hillside wildfire protection project
Blithedale Summit Preserve	Carried out Middle Summit access and fuel break project (wildfire protection)
Blithedale Summit Preserve	Carried out Ryder Ridge access and fuel break project (wildfire protection)
Blithedale Summit Preserve	Early detection rapid response of stinkwort (invasive plant removal)
Blithedale Summit Preserve	Installed new entry and wayfinding signage
Blithedale Summit Preserve	Regraded and improved Glen Fire Road
Blithedale Summit Preserve	Regraded Blithedale Summit Fire Road
Blithedale Summit Preserve	Regraded Middle Summit Fire Road
Bolinas Lagoon Preserve	Annual control of cordgrass (invasive plant removal)
Bolinas Lagoon Preserve	Annual control of purple star thistle (invasive plant removal)
Bolinas Lagoon Preserve	Annual fire fuel maintenance
Bolinas Lagoon Preserve	Annual pruning and hazard tree removal for emergency vehicle access
Bolinas Lagoon Preserve	Early detection rapid response of stinkwort (invasive plant removal)
Bolinas Lagoon Preserve	North End project: Planning for restoration and sea level rise adaptation
Bolinas Lagoon Preserve	Ongoing Kent Island restoration and stewardship
Bolinas Lagoon Preserve	Wye project: Planning for restoration and sea level rise adaptation
Bolinas Park	Installed drinking fountain/bottle filling station
Bolinas Park	Replaced split rail fence
Bolinas Park	Resurfaced tennis/pickle ball court and replaced fence
Bothin Marsh Preserve	Annual alkali Russian thistle control (invasive plant removal)
Bothin Marsh Preserve	Annual control of purple star thistle (invasive plant removal)
Bothin Marsh Preserve	Annual fire fuel maintenance
Bothin Marsh Preserve	Annual pruning and hazard tree removal for emergency vehicle access
Bothin Marsh Preserve	Bothin Marsh project: Planning for restoration and sea level rise adaptation
Bothin Marsh Preserve	Early detection and rapid response for sea lavender (invasive plant removal)
Bothin Marsh Preserve	Early detection rapid response of stinkwort (invasive plant removal)
Buck's Landing	Completed improvements: Added ADA parking, restroom, and picnic table; installed signs; cleaned up site; decommissioned old septic vault; performed vegetation management
Camino Alto Preserve	Annual control of purple star thistle (invasive plant removal)
Camino Alto Preserve	Annual defensible space maintenance
Camino Alto Preserve	Annual fire fuel maintenance
Camino Alto Preserve	Annual pruning and hazard tree removal for emergency vehicle access
Camino Alto Preserve	Carried out Overhill Road wildfire protection project
Camino Alto Preserve	Completed Bay Vista Trail project and public access improvements
Camino Alto Preserve	Completed Lower Summit Fire Road project
Camino Alto Preserve	Completed Middle Summit Fire Road project
Camino Alto Preserve	Completed Octopus Trail project and public access improvements
Camino Alto Preserve	Completed Val Vista Trail project and public access improvements

LOCATION	PROJECT DESCRIPTION OR SERVICE ENHANCEMENT
Camino Alto Preserve	Early detection rapid response of stinkwort (invasive plant removal)
Camino Alto Preserve	Installed new dog waste station and signage
Camino Alto Preserve	Installed new entry and wayfinding signage
Camino Alto Preserve	Regraded Camino Alto Fire Road
Camino Alto Preserve	Regraded Del Casa Fire Road
Candy's Park	Installed new site furnishings (benches, trash/recycling receptacles, and picnic table)
Cascade Canyon Preserve	Annual control of purple star thistle (invasive plant removal)
Cascade Canyon Preserve	Annual defensible space maintenance
Cascade Canyon Preserve	Annual fire fuel maintenance
Cascade Canyon Preserve	Annual pruning and hazard tree removal for emergency vehicle access
Cascade Canyon Preserve	Carried out Cascade Drive wildfire protection project
Cascade Canyon Preserve	Carried out Pine Drive/Toyon Fire Road wildfire protection project
Cascade Canyon Preserve	Carried out Toyon fuel break project (wildfire protection)
Cascade Canyon Preserve	Early detection rapid response of stinkwort (invasive plant removal)
Cascade Canyon Preserve	Improved wildland-urban interface by grazing
Cascade Canyon Preserve	Installed new entry and wayfinding signage
Cascade Canyon Preserve	Performed broom control in the eastern portion of the preserve (invasive plant removal)
Cascade Canyon Preserve	Regraded Toyon Fire Road
Castro Park	Installed new playground
Castro Park	Installed new site furnishings (benches, trash/recycling receptacles, and picnic table)
Charles F. McGlashan Pathway	Repaired boardwalk and pathway
Chicken Ranch Beach	Completed recreation improvements (added new swim buoys, cleared access path, installed restroom windscreen)
Corte Madera Creek Pathway	Annual hazard tree removal and pruning
Corte Madera Creek Pathway	Completed bench and site furnishing maintenance
Deer Island Field Office	Completed accessibility improvements: Built new ramp, added accessible parking
Deer Island Field Office	Completed exterior building improvements: Stairway/deck and gutter replacements
Deer Island Preserve	Annual control of purple star thistle (invasive plant removal)
Deer Island Preserve	Annual fire fuel maintenance
Deer Island Preserve	Annual pepper weed control (invasive)
Deer Island Preserve	Annual pruning and hazard tree removal for emergency vehicle access
Deer Island Preserve	Completed creek crossing improvements and puncheon replacement on Loop Trail
Deer Island Preserve	Early detection rapid response for goatgrass (invasive plant removal)
Deer Island Preserve	Early detection rapid response of stinkwort (invasive plant removal)
Deer Island Preserve	Installed new dog waste station and signage
Deer Island Preserve	Installed new entry and wayfinding signage
Eldred Property	Ongoing defensible space pruning and hazard tree removal
Forest Knolls Park	Resurfaced basketball court
French Ranch Preserve	Annual control of purple star thistle (invasive plant removal)
French Ranch Preserve	Annual defensible space maintenance
French Ranch Preserve	Annual fire fuel maintenance
French Ranch Preserve	Annual pruning and hazard tree removal for emergency vehicle access
French Ranch Preserve	Completed broom control broom in the eastern portion of preserve (invasive plant removal)
French Ranch Preserve	Completed grassland monitoring: Assessed birds, soil, and vegetation

LOCATION	PROJECT DESCRIPTION OR SERVICE ENHANCEMENT
French Ranch Preserve	Completed School Trail improvements and bridge installation
French Ranch Preserve	Early detection rapid response of stinkwort (invasive plant removal)
French Ranch Preserve	Installed new entry and wayfinding signage
Gary Giacomini Preserve	Annual control of purple star thistle (invasive plant removal)
Gary Giacomini Preserve	Annual defensible space maintenance
Gary Giacomini Preserve	Annual fire fuel maintenance
Gary Giacomini Preserve	Annual pruning and hazard tree removal for emergency vehicle access
Gary Giacomini Preserve	Carried out Manzanita Fire Road wildfire protection project
Gary Giacomini Preserve	Completed Boulder Springs Trail project and public access improvements
Gary Giacomini Preserve	Completed Candelerio Canyon Trail project and public access improvements
Gary Giacomini Preserve	Completed Caterpillar Trail project and public access improvements
Gary Giacomini Preserve	Completed Conifer Fire Road project regrade and improvements
Gary Giacomini Preserve	Completed Contour Trail project and public access improvements
Gary Giacomini Preserve	Completed Cortez Fire Road project and public access improvements
Gary Giacomini Preserve	Completed Haute Lagunitas Trail improvements
Gary Giacomini Preserve	Completed Hunt Camp Trail project and public access improvements
Gary Giacomini Preserve	Completed Sinaloa Trail improvements
Gary Giacomini Preserve	Early detection rapid response of broom (invasive plant removal)
Gary Giacomini Preserve	Early detection rapid response of stinkwort (invasive plant removal)
Gary Giacomini Preserve	Installed new entry and wayfinding signage
Gary Giacomini Preserve	Reduced fire fuel and improved defensible space above Conifer Way
Gary Giacomini Preserve	Regraded Sinaloa Fire Road
Gary Giacomini Preserve	Regraded Willis Evans Trail
Green Bridge	Installed signage
Green Bridge	Ongoing tree pruning and trail maintenance
Greenbrae Redwoods	Completed defensible space and fire fuel maintenance
Hal Brown Park	Annual marsh restoration and invasive plant removal
Hal Brown Park	Installed mosaic tile labyrinth plaza and new seating
Hal Brown Park	Installed new drinking fountains (3)
Hal Brown Park	Replaced culvert in marsh
Homestead Valley Community Center	Renovated community center
Homestead Valley Community Center	Swimming pool and accessibility improvements underway
Horse Hill Preserve	Annual control of purple star thistle (invasive plant removal)
Horse Hill Preserve	Annual defensible space maintenance
Horse Hill Preserve	Annual fire fuel maintenance
Horse Hill Preserve	Annual pruning and hazard tree removal for emergency vehicle access
Horse Hill Preserve	Carried out Sausalito Street wildfire protection project
Horse Hill Preserve	Early detection rapid response of stinkwort (invasive plant removal)
Horse Hill Preserve	Installed new dog waste station and signage
Horse Hill Preserve	Installed new entry and wayfinding signage
Horse Hill Preserve	Regraded Horse Hill Fire Road
Ignacio Valley Preserve	Annual control of purple star thistle (invasive plant removal)
Ignacio Valley Preserve	Annual defensible space maintenance
Ignacio Valley Preserve	Annual fire fuel maintenance

LOCATION	PROJECT DESCRIPTION OR SERVICE ENHANCEMENT
Ignacio Valley Preserve	Annual pruning and hazard tree removal for emergency vehicle access
Ignacio Valley Preserve	Carried out Big Rock Ridge broom control project
Ignacio Valley Preserve	Completed Buck Gulch Falls Trail improvements
Ignacio Valley Preserve	Early detection rapid response of stinkwort (invasive plant removal)
Indian Tree Preserve	Annual control of purple star thistle (invasive plant removal)
Indian Tree Preserve	Annual defensible space maintenance
Indian Tree Preserve	Annual fire fuel maintenance
Indian Tree Preserve	Annual pruning and hazard tree removal for emergency vehicle access
Indian Tree Preserve	Early detection rapid response of distaff thistle (invasive plant removal)
Indian Tree Preserve	Early detection rapid response of stinkwort (invasive plant removal)
Indian Tree Preserve	Installed new entry and wayfinding signage
Indian Tree Preserve	Installed Rebelo Lane Trail retaining wall
Indian Tree Preserve	Regraded Indian Tree Fire Road
Indian Valley Preserve	Annual control of purple star thistle (invasive plant removal)
Indian Valley Preserve	Annual defensible space maintenance
Indian Valley Preserve	Annual fire fuel maintenance
Indian Valley Preserve	Annual pruning and hazard tree removal for emergency vehicle access
Indian Valley Preserve	Early detection rapid response of stinkwort (invasive plant removal)
Indian Valley Preserve	Installed new dog waste station and signage
Indian Valley Preserve	Installed new entry and wayfinding signage
King Mountain Preserve	Annual control of purple star thistle (invasive plant removal)
King Mountain Preserve	Annual defensible space maintenance
King Mountain Preserve	Annual fire fuel maintenance
King Mountain Preserve	Annual pruning and hazard tree removal for emergency vehicle access
King Mountain Preserve	Completed Loop Trail improvements
King Mountain Preserve	Completed Vine Trail project and public access improvements
King Mountain Preserve	Early detection rapid response of stinkwort (invasive plant removal)
King Mountain Preserve	Installed new entry and wayfinding signage
Lagoon Park	Annual tree pruning and hazard tree removal
Lagoon Park	Built fence around petanque court
Lagoon Park	Constructed new greenhouse and native plant nursery
Lagoon Park	Created outdoor classroom/volunteer area
Lagoon Park	Improved gate and security fencing at park corporation yard
Lagoon Park	Improved irrigation system
Lagoon Park	Improved pathway cleaning with new equipment
Lagoon Park	Improved the picnic area (new tables and BBQ's)
Lagoon Park	Installed new dog waste station and signs at Field of Dogs dog park
Lagoon Park	Installed new site furnishings (garbage cans, benches, drinking fountain/water bottle fill-up station)
Lagoon Park	Installed new toilets, waterless urinal, and hand-dryers in public restroom
Lagoon Park	Ongoing lagoon invasive plant removal
Lagoon Park	Renovated park field office and improved accessibility
Lagoon Park	Repaired asphalt pathway
Lagoon Park	Replaced pump in the cascade fountains
Little Mountain Preserve	Annual control of purple star thistle (invasive plant removal)

LOCATION	PROJECT DESCRIPTION OR SERVICE ENHANCEMENT
Little Mountain Preserve	Annual defensible space maintenance
Little Mountain Preserve	Annual fire fuel maintenance
Little Mountain Preserve	Annual pruning and hazard tree removal for emergency vehicle access
Little Mountain Preserve	Early detection rapid response of stinkwort (invasive plant removal)
Little Mountain Preserve	Installed new entry and wayfinding signage
Loma Alta Preserve	Annual defensible space maintenance
Loma Alta Preserve	Annual fire fuel maintenance
Loma Alta Preserve	Annual pruning and hazard tree removal for emergency vehicle access
Loma Alta Preserve	Annual purple star thistle control (invasive)
Loma Alta Preserve	Carried out White Hill School wildfire protection project
Loma Alta Preserve	Completed 680 Trail project mitigation (invasive plant removal)
Loma Alta Preserve	Early detection rapid response of stinkwort (invasive plant removal)
Loma Alta Preserve	Improved 680 Trail
Loma Alta Preserve	Improved Old Railroad Grade Trail (the "Plunge" project)
Loma Alta Preserve	Installed new entry and wayfinding signage
Loma Alta Preserve	Mapped broom and identified removal priorities
Loma Alta Preserve	Ongoing White Hill School grazing project
Loma Alta Preserve	Regraded and improved Old White Hill Grade Fire Road and trail
Loma Alta Preserve	Regraded Smith Fire Road
Loma Alta Preserve	Regraded Sunrise Fire Road
Loma Verde Preserve	Annual defensible space maintenance
Loma Verde Preserve	Annual fire fuel maintenance
Loma Verde Preserve	Annual pruning and hazard tree removal for emergency vehicle access
Loma Verde Preserve	Annual purple star thistle control (invasive)
Loma Verde Preserve	Carried out Corte Norte wildland fire protection (defensible space and fire fuel maintenance)
Loma Verde Preserve	Early detection rapid response of stinkwort (invasive plant removal)
Loma Verde Preserve	Installed new entry and wayfinding signage
Loma Verde Preserve	Ongoing Big Rock Ridge broom control project
Lucas Valley Park	Completed pathway repair and paving project
Lucas Valley Preserve	Annual defensible space maintenance
Lucas Valley Preserve	Annual fire fuel maintenance
Lucas Valley Preserve	Annual pruning and hazard tree removal for emergency vehicle access
Lucas Valley Preserve	Annual purple star thistle control (invasive)
Lucas Valley Preserve	Decommissioned Grady Fire Road
Lucas Valley Preserve	Early detection rapid response for distaff thistle control (invasive)
Lucas Valley Preserve	Early detection rapid response of stinkwort (invasive plant removal)
Lucas Valley Preserve	Installed new dog waste station and signage
Lucas Valley Preserve	Installed new entry and wayfinding signage
Lucas Valley Preserve	Ongoing Big Rock Ridge broom control project
Lucas Valley Preserve	Ongoing vernal pool restoration and stewardship
Lucas Valley Preserve	Regraded Big Rock Fire Road
Lucas Valley Preserve	Regraded Big Rock Trail
Lucas Valley Preserve	Regraded Luiz Fire Road
Maurice Thorner Memorial Preserve	Annual defensible space maintenance

LOCATION	PROJECT DESCRIPTION OR SERVICE ENHANCEMENT
Maurice Thorne Memorial Preserve	Annual fire fuel maintenance
Maurice Thorne Memorial Preserve	Annual pruning and hazard tree removal for emergency vehicle access
Maurice Thorne Memorial Preserve	Annual purple star thistle control (invasive plant removal)
Maurice Thorne Memorial Preserve	Early detection rapid response of stinkwort (invasive plant removal)
Maurice Thorne Memorial Preserve	Installed new entry and wayfinding signage
McInnis Park	Annual tree pruning and hazard tree removal
McInnis Park	Installed fence and security improvements at corporation yard
McInnis Park	Installed new drinking fountain and picnic tables at the skate park
McInnis Park	Installed new park monument sign
McInnis Park	Installed new roadway fencing at Hillside fields
McInnis Park	Installed new shade structure at the skate park
McInnis Park	Installed new site furnishings
McInnis Park	McInnis Wetlands project: Planning for restoration and sea level rise adaptation
McInnis Park	Painted restroom and installed new fixtures
McInnis Park	Planted new landscaping at park entrance
McInnis Park	Renovated ranger office
McInnis Park	Renovated softball field
McInnis Park	Repaired and renovated softball field lighting
McInnis Park	Replaced fencing around tennis court
McInnis Park	Resurfaced tennis court
McNears Beach Park	Added new Adirondack chairs and tables
McNears Beach Park	Added new pool equipment (lifeguard chairs, pool deck chairs, sweeper, accessible chair lift)
McNears Beach Park	Annual defensible space maintenance
McNears Beach Park	Annual tree pruning and hazard tree removal
McNears Beach Park	Completed fishing pier structural improvement project
McNears Beach Park	Completed palm tree pruning
McNears Beach Park	Completed pathway repair and paving
McNears Beach Park	Completed recycling, waste, coal receptacle replacement project
McNears Beach Park	Completed water conservation improvement project (converted turf to sand)
McNears Beach Park	Improved volleyball court
McNears Beach Park	Improved, expanded, and added shading to picnic site area # 8
McNears Beach Park	Installed new park monument sign
McNears Beach Park	Rehabilitated entry road pavement
McNears Beach Park	Replaced swimming pool pump
Mill Valley/Sausalito Pathway	Built and installed sea level rise exhibit
Mill Valley/Sausalito Pathway	Completed pavement Improvement project
Mill Valley/Sausalito Pathway	Completed safety, landscaping, and use improvements at Gate 6 entry
Mill Valley/Sausalito Pathway	Completed traffic calming improvements (striping, signage, speed feedback device)
Mill Valley/Sausalito Pathway	Installed mosaic wall at Sycamore roundabout
Mill Valley/Sausalito Pathway	Installed new decking on bridges
Mill Valley/Sausalito Pathway	Resurfaced 1.4 miles of path
Miller Boat Launch	Built life jacket lending station

LOCATION	PROJECT DESCRIPTION OR SERVICE ENHANCEMENT
Miller Boat Launch	Completed dock repairs
Miller Boat Launch	Installed new signage
Miller Boat Launch	Replaced waste and recycling receptacles
Miller Boat Launch	Restriped parking lot
Mission Pass Pathway	Installed new dog waste station and signage
Mount Burdell Preserve	Annual defensible space maintenance
Mount Burdell Preserve	Annual fire fuel maintenance
Mount Burdell Preserve	Annual goatgrass control (invasive plant removal)
Mount Burdell Preserve	Annual medusa head control (invasive plant removal)
Mount Burdell Preserve	Annual pruning and hazard tree removal for emergency vehicle access
Mount Burdell Preserve	Annual yellow star thistle control (invasive plant removal)
Mount Burdell Preserve	Carried out Partridge Drive wildfire protection project
Mount Burdell Preserve	Completed 13 Oaks Fire Road public access improvements
Mount Burdell Preserve	Completed Band Tailed Fire Road public access improvements
Mount Burdell Preserve	Completed Bowman Canyon sensitive natural resources surveys and mapping
Mount Burdell Preserve	Completed Eagle Rim Trail and public access improvements
Mount Burdell Preserve	Completed grassland monitoring: Assessed birds, soil, and vegetation
Mount Burdell Preserve	Completed rare plant and grassland surveys and mapping
Mount Burdell Preserve	Completed Serpentine Fire Road public access improvements
Mount Burdell Preserve	Created new aquatic habitat
Mount Burdell Preserve	Early detection rapid response of stinkwort (invasive plant removal)
Mount Burdell Preserve	Installed new dog waste station and signage
Mount Burdell Preserve	Installed new entry and wayfinding signage
Mount Burdell Preserve	Ongoing Hidden Lake restoration and stewardship
Mount Burdell Preserve	Regraded and improved Middle Fire Road
Mount Burdell Preserve	Regraded Dwarf Oak Traile
Mount Burdell Preserve	Regraded San Andreas Fire Road
Mount Burdell Preserve	Regraded San Carlos Fire Road
Mount Burdell Preserve	Regraded San Marin Fire Road
Multiple Preserves	Amphibian and Reptile Survey research project
Multiple Preserves	Functional Trait Variation of Native and Exotic Grasses research project
Multiple Preserves	Special-Status Plant Species Occurrence Update research project
Multiple Preserves	The Effect of Invasive on Plant Pollinator Relationships research project
Multiple Preserves	Unlocking the Drivers of Sustainable Invasive Legume Management research project
Novato to Stafford Pathway	Replaced retaining wall and railing
Old Saint Hilary's Preserve	Annual acacia control (fire protection and invasive plant removal)
Old Saint Hilary's Preserve	Annual broom control (invasive plant removal)
Old Saint Hilary's Preserve	Annual defensible space maintenance
Old Saint Hilary's Preserve	Annual fire fuel maintenance
Old Saint Hilary's Preserve	Annual pampas grass control (invasive plant removal)
Old Saint Hilary's Preserve	Annual pruning and hazard tree removal for emergency vehicle access
Old Saint Hilary's Preserve	Annual purple star thistle control (invasive plant removal)
Old Saint Hilary's Preserve	Annual thoroughwort control (invasive plant management)
Old Saint Hilary's Preserve	Carried out wildfire protection and defensible space maintenance adjacent to Tiburon Peninsula Club

LOCATION	PROJECT DESCRIPTION OR SERVICE ENHANCEMENT
Old Saint Hilary's Preserve	Completed grassland surveys and mapping
Old Saint Hilary's Preserve	Early detection rapid response of stinkwort (invasive plant removal)
Old Saint Hilary's Preserve	Installed new entry and wayfinding signage
Old Saint Hilary's Preserve	Ongoing endangered jewelflower protection
Pacheco Pathway	Annual tree pruning and hazard tree removal
Pacheco Pathway	Improved entry to Ponti Ridge Trail
Pacheco Valle Preserve	Annual defensible space maintenance
Pacheco Valle Preserve	Annual fire fuel maintenance
Pacheco Valle Preserve	Annual pruning and hazard tree removal for emergency vehicle access
Pacheco Valle Preserve	Annual purple star thistle (invasive plant removal)
Pacheco Valle Preserve	Carried out Big Rock Ridge broom control project
Pacheco Valle Preserve	Carried out James Black Circle fire protection project
Pacheco Valle Preserve	Carried out Oak Forest Road fire protection project
Pacheco Valle Preserve	Carried out Pacheco Creek Drive fire protection project
Pacheco Valle Preserve	Completed Chicken Shack Fire Road improvements
Pacheco Valle Preserve	Completed Ponti Ridge fire road to trail conversion
Pacheco Valle Preserve	Early detection rapid response of stinkwort (invasive plant removal)
Pacheco Valle Preserve	Installed new entry and wayfinding signage
Pacheco Valle Preserve	Regraded Curlew Fire Road
Pacheco Valle Preserve	Regraded Queenstone Fire Road
Paradise Beach Park	Added new Adirondack chairs and tables
Paradise Beach Park	Annual tree pruning and hazard tree removal
Paradise Beach Park	Completed fishing pier railing and amenities replacement project
Paradise Beach Park	Completed waste and recycling receptacle replacement project
Paradise Beach Park	Completed water conservation and irrigation system improvements
Paradise Beach Park	Improved security and fencing at park corporation yard
Paradise Beach Park	Installed park monument sign
Paradise Beach Park	Repaired paving and refreshed parking lot stripes
Point Reyes Playground	Improved landscaping
Point Reyes Playground	Improved stairway
Point Reyes Playground	Installed ADA ramp
Point Reyes Playground	Installed new drinking fountain
Pueblo Park	Installed mosaic tile nature wall
Pueblo Park	Installed new signage
Pueblo Park	Installed new site furnishings and refurbished amenities (picnic table, benches, trash/recycling receptacles, decomposed granite picnic area, and landscaping)
Pueblo Park	Resurfaced tennis/pickle ball courts and installed new net and posts
Pueblo Park	Tree pruning
Ring Mountain Preserve	Annual broom control (invasive plant removal)
Ring Mountain Preserve	Annual bull thistle control (invasive plant removal)
Ring Mountain Preserve	Annual defensible space maintenance
Ring Mountain Preserve	Annual fennel control (invasive plant removal)
Ring Mountain Preserve	Annual fire fuel maintenance
Ring Mountain Preserve	Annual Harding grass control (invasive plant removal)
Ring Mountain Preserve	Annual mayten control (invasive plant removal)

LOCATION	PROJECT DESCRIPTION OR SERVICE ENHANCEMENT
Ring Mountain Preserve	Annual Monterey pine control (invasive plant removal)
Ring Mountain Preserve	Annual pampas grass control (invasive plant removal)
Ring Mountain Preserve	Annual pruning and hazard tree removal for emergency vehicle access
Ring Mountain Preserve	Annual purple star thistle control (invasive plant removal)
Ring Mountain Preserve	Annual rosy sand crocus control (invasive plant removal)
Ring Mountain Preserve	Annual Tocalote thistle control (invasive plant removal)
Ring Mountain Preserve	Annual wild mustard control (invasive plant management)
Ring Mountain Preserve	Carried out Taylor Road wildfire protection project
Ring Mountain Preserve	Completed grassland surveys and mapping
Ring Mountain Preserve	Early detection rapid response of stinkwort (invasive plant removal)
Ring Mountain Preserve	Endeavor Fire Road repair and restoration
Ring Mountain Preserve	Installed new entry and wayfinding signage
Ring Mountain Preserve	Ongoing tall fescue control (invasive plant removal)
Ring Mountain Preserve	Regraded Endeavor Fire Road
Ring Mountain Preserve	Regraded Ring Mountain Fire Road
Ring Mountain Preserve	Surveyed preserve boundary to improve land management
Ring Mountain Preserve	Trail improvements
Rocky Graham Park	Ongoing annual park and landscape maintenance and repair
Roy's Redwoods Preserve	Annual broom control (invasive plant removal)
Roy's Redwoods Preserve	Annual defensible space maintenance
Roy's Redwoods Preserve	Annual fire fuel maintenance
Roy's Redwoods Preserve	Annual Harding grass control (invasive plant removal)
Roy's Redwoods Preserve	Annual pruning and hazard tree removal for emergency vehicle access
Roy's Redwoods Preserve	Annual purple star thistle (invasive plant removal)
Roy's Redwoods Preserve	Completed grassland monitoring: Assessed birds, soil, and vegetation
Roy's Redwoods Preserve	Completed trail improvements and installed five bridges on Roy's Loop trail
Roy's Redwoods Preserve	Early detection rapid response of stinkwort (invasive plant removal)
Roy's Redwoods Preserve	Installed new entry and wayfinding signage
Rush Creek Preserve	Annual fire fuel maintenance
Rush Creek Preserve	Annual pruning and hazard tree removal for emergency vehicle access
Rush Creek Preserve	Broom Control: Extirpate early detection populations.
Rush Creek Preserve	Completed Bahia Ridge road and trail improvement project
Rush Creek Preserve	Early detection rapid response of stinkwort (invasive plant removal)
Rush Creek Preserve	Installed new dog waste station and signage
Rush Creek Preserve	Installed new entry and wayfinding signage
San Pedro Mountain Preserve	Annual defensible space maintenance
San Pedro Mountain Preserve	Annual fire fuel maintenance
San Pedro Mountain Preserve	Annual pruning and hazard tree removal for emergency vehicle access
San Pedro Mountain Preserve	Annual purple star thistle control (invasive plant management)
San Pedro Mountain Preserve	Carried out Del Norte Oaks fire protection project
San Pedro Mountain Preserve	Completed Heron Hill Fire Road public access improvements
San Pedro Mountain Preserve	Completed Heron Hill sensitive natural resources surveys and mapping
San Pedro Mountain Preserve	Completed Marsh Overlook Trail and public access improvements
San Pedro Mountain Preserve	Early detection rapid response of stinkwort (invasive plant removal)
San Pedro Mountain Preserve	Installed new entry and wayfinding signage

LOCATION	PROJECT DESCRIPTION OR SERVICE ENHANCEMENT
Santa Margarita Island Preserve	Annual fire fuel maintenance
Santa Margarita Island Preserve	Annual pruning and hazard tree removal for emergency vehicle access
Santa Margarita Island Preserve	Annual purple star thistle control (invasive plant removal)
Santa Margarita Island Preserve	Early detection rapid response of stinkwort (invasive plant removal)
Santa Margarita Island Preserve	Installed new entry and wayfinding signage
Santa Venetia Marsh Preserve	Annual fire fuel maintenance
Santa Venetia Marsh Preserve	Annual pruning and hazard tree removal for emergency vehicle access
Santa Venetia Marsh Preserve	Annual purple star thistle control (invasive plant removal)
Santa Venetia Marsh Preserve	Early detection rapid response of stinkwort (invasive plant removal)
Santa Venetia Marsh Preserve	Installed new entry and wayfinding signage
Santa Venetia Marsh Preserve	Ongoing marsh restoration and stewardship
Stafford Lake Park	Added new Adirondack chairs and tables
Stafford Lake Park	Completed playground replacement project (nature play structure)
Stafford Lake Park	Completed recreation improvement project (new "Hammock Village", zip line, and picnic area improvements)
Stafford Lake Park	Completed refuse intake project (dumpster enclosure and access improvements)
Stafford Lake Park	Completed trail bridge, head cut, and gully stabilization project
Stafford Lake Park	Expanded parking lot (new sidewalk, restroom screen, shade trees, fencing, and entryway)
Stafford Lake Park	Implemented wetland restoration project
Stafford Lake Park	Installed new drinking fountain
Stafford Lake Park	Installed new park monument sign
Stafford Lake Park	Installed new restroom fixtures (toilets, sinks, and hand dryers)
Stafford Lake Park	Installed new restroom septic vaults
Stafford Lake Park	Installed new site furnishings (trash and recycling receptacles)
Stafford Lake Park	Installed new wooden trail features at the bike park
Stafford Lake Park	Installed shade structure at bike park
Stafford Lake Park	Renovated picnic site area #5
Stafford Lake Park	Replaced culvert and repaired section of road
Stafford Lake Park	Replaced irrigation intake pump
Stolte Grove/Three Groves	Replaced trail bridge
Terra Linda/Sleepy Hollow Divide Preserve	Annual barbed goatgrass control (invasive plant removal)
Terra Linda/Sleepy Hollow Divide Preserve	Annual broom control (invasive plant management)
Terra Linda/Sleepy Hollow Divide Preserve	Annual defensible space maintenance
Terra Linda/Sleepy Hollow Divide Preserve	Annual fire fuel maintenance
Terra Linda/Sleepy Hollow Divide Preserve	Annual grazing for wildfire protection and invasive plant removal
Terra Linda/Sleepy Hollow Divide Preserve	Annual pampas grass control (invasive plant removal)
Terra Linda/Sleepy Hollow Divide Preserve	Annual pruning and hazard tree removal for emergency vehicle access
Terra Linda/Sleepy Hollow Divide Preserve	Annual purple star thistle control (invasive plant removal)
Terra Linda/Sleepy Hollow Divide Preserve	Carried out Cedar Hill Drive wildfire protection project
Terra Linda/Sleepy Hollow Divide Preserve	Carried out Fox Lane wildfire protection project

LOCATION	PROJECT DESCRIPTION OR SERVICE ENHANCEMENT
Terra Linda/Sleepy Hollow Divide Preserve	Carried out Ridgewood wildfire protection project
Terra Linda/Sleepy Hollow Divide Preserve	Carried out Terra Linda Ridge Fire Road wildfire protection project
Terra Linda/Sleepy Hollow Divide Preserve	Completed 680 Trail mitigation (invasive plant removal)
Terra Linda/Sleepy Hollow Divide Preserve	Completed Springs Hill Trail and public access improvements
Terra Linda/Sleepy Hollow Divide Preserve	Early detection rapid response of stinkwort (invasive plant removal)
Terra Linda/Sleepy Hollow Divide Preserve	Installed new dog waste station and signage
Terra Linda/Sleepy Hollow Divide Preserve	Installed new entry and wayfinding signage
Terra Linda/Sleepy Hollow Divide Preserve	Regraded and added steps to Dan Abrahams Trail
Terra Linda/Sleepy Hollow Divide Preserve	Regraded and improved Irving Fire Road
Terra Linda/Sleepy Hollow Divide Preserve	Regraded Del Casa Fire Road
Terra Linda/Sleepy Hollow Divide Preserve	Regraded Del Ganado Fire Road
Terra Linda/Sleepy Hollow Divide Preserve	Regraded Luiz Ranch Fire Road
Terra Linda/Sleepy Hollow Divide Preserve	Regraded Ridgewood Fire Road
Terra Linda/Sleepy Hollow Divide Preserve	Regraded Terra Linda Fire Road
Terra Linda/Sleepy Hollow Divide Preserve	Regraded Tomahawk Fire Road
Tiburon Ridge Preserve	Annual defensible space maintenance
Tiburon Ridge Preserve	Annual fire fuel maintenance
Tiburon Ridge Preserve	Annual pruning and hazard tree removal for emergency vehicle access
Tiburon Ridge Preserve	Annual purple star thistle control (invasive plant removal)
Tiburon Ridge Preserve	Early detection rapid response of stinkwort (invasive plant removal)
Tiburon Uplands	Ongoing hazard tree removal and pruning
Tiburon Uplands	Ongoing trail improvements and maintenance
Verissimo Hills Preserve	Annual defensible space maintenance
Verissimo Hills Preserve	Annual fire fuel maintenance
Verissimo Hills Preserve	Annual pruning and hazard tree removal for emergency vehicle access
Verissimo Hills Preserve	Annual purple star thistle control (invasive plant removal)
Verissimo Hills Preserve	Carried out Aries Lane wildfire protection project
Verissimo Hills Preserve	Carried out Sanchez Way wildfire protection project
Verissimo Hills Preserve	Early detection rapid response of stinkwort (invasive plant removal)
Verissimo Hills Preserve	Installed new entry and wayfinding signage
Village Green Park	Added additional portable restrooms and more screening
Village Green Park	Added new ping pong table
Village Green Park	Ongoing tree pruning and landscape maintenance
Village Green Park	Repaired playground equipment
Vince Mulroy	Carried out vegetation maintenance for segment of Black Point evacuation route
Vince Mulroy	Ongoing defensible space, fire fuel, and trails maintenance
White Hill Preserve	Annual defensible space maintenance

LOCATION	PROJECT DESCRIPTION OR SERVICE ENHANCEMENT
White Hill Preserve	Annual fire fuel maintenance
White Hill Preserve	Annual pruning and hazard tree removal for emergency vehicle access
White Hill Preserve	Annual purple star thistle control (invasive plant removal)
White Hill Preserve	Completed Sherwood Forest Trail public access improvements
White Hill Preserve	Early detection rapid response of stinkwort (invasive plant removal)
White Hill Preserve	Installed new entry and wayfinding signage
White Hill Preserve	Regraded Blue Ridge Fire Road
White Hill Preserve	Regraded Porcupine Trail
White Hill Preserve	Regraded Summit Fire Road
White Hill Preserve	Regraded White Hill Fire Road
Whitehouse Pool	Completed parking lot improvements
Whitehouse Pool	Ongoing tree pruning and trail maintenance
