

Board of Supervisors  
Marin County Civic Center  
San Rafael, CA 94903

Dear Board Members:

**SUBJECT:** A Traffic Resolution prohibiting parking on a portion of Terners Drive.

**RECOMMENDATION:** Adopt the traffic resolution.

**SUMMARY:** The Traffic Engineering staff has evaluated and agreed with concerns raised by residents regarding available sight distance for vehicles exiting any of the four driveways onto Terners Drive. To address this issue, we are recommending that parking on Terners Drive be prohibited for one space on either side of each of the four apartment complex driveways. This will significantly improve the sight distance for exiting vehicles.

**FISCAL IMPACT:** None.
