## SECOND ADDENDUM TO AGREEMET BY AND BETWEEN THE COUNTY OF MARIN AND KENWOOD ENERGY ORIGNAILLY DATED December 14, 2004 REGARDING THE MARIN ENERGY MANAGEMENT TEAM.

**THIS SECOND ADDENDUM** is made and entered into this 14<sup>th</sup> day of June 2005, by and between the COUNTY OF MARIN, a political subdivision of the State of California (hereinafter referred to as "County") and Kenwood Energy (hereinafter referred to as "Contractor").

## RECITALS

WHEREAS, the County and the Contractor entered into an agreement for Professional Services dated December 14, 2004 ("Agreement"); and

WHEREAS, the agreement obligated Contractor to provide energy expertise for the Marin Energy Management Team;

WHEREAS, the parties now desire to further amend the agreement to reflect a modification in the contract amount that was in the original contract;

NOW, THEREFORE, the parties agree to modify Section 4 "Maximum Cost to the County" and "Exhibit B: Compensation or Fees to be paid to the Contractor".

## AGREEMENT

1. Section 4 is hereby amended to read as follows:

In no event will the cost to County for the services to be provided herein exceed the maximum sum of \$149,000 including direct non-salary expenses.

2. Exhibit A is hereby amended to read as follows:

Kenwood Energy will continue to be responsible for coordinating energy management support services. Kenwood Energy will also continue to conduct facility audits, write audit reports, prioritize additional audit and engineering activities, and participate in the training workshops.

In addition to the above mentioned original services, Kenwood Energy will now provide engineering services and technical assistance when more detailed and sophisticated assessment and analysis is required. Such services may include monitoring, investment grade audits, and recommissioning studies and design services.

Further, Kenwood Energy will have primary responsibility or will assist on the tasks as noted in the list below. Kenwood Energy will be responsible for the deliverables on the tasks for which it has primary responsibility.

| Tasks  | Timeline | Deliverables | Responsibility |
|--|----------|--------------|----------------|
| Task 1: Program Administration                           |          |              |                |
| 1.1 Administrative                                       |          |              |                |
| 1.1.1 Setup & maintain contacts, accounting, & reporting | Month 1  |              | Assistance     |
| 1.2 Project Planning and Development                     |          |              |                |
| 1.2.1 Develop project documents                          | 1st Qtr  |              | Assistance     |
| Task 2: Scoping Mission                                  |          |              |                |

| 2.1 Develop scoping survey                      | 1st Qtr                  |  | Primary    |
|---|--------------------------|--|------------|
| 2.2 LG & SD interviews, data collection         | 1st Qtr                  |  | Primary    |
| 2.3 LG & SD meets assessment report             | End of 1st Qtr           |  | Primary    |
| 2.4 Review needs assessment with LG &           |                          |  | Filliary   |
| SD managers                                     | 1st Qtr - 4th Qtr        |  | Primary    |
| 2.5 Develop EE resource team action plan        | End of 1st Qtr           |  | Primary    |
| 2.6 Obtain approvals of LG & SD managers        |                          |  | i minary   |
| for action plans                                | End of 2nd Qtr           | Team action plan                       | Assistance |
| Task 3: Energy Accounting                       |                          |  |            |
| 3.1 UMS database construction                   |                          |  |            |
| 3.1.1 Collect account, meter, site data         | Ongoing                  | Ongoing Reporting                      | Assistance |
| 3.2 UMS Monthly Maintenance                     | - 5- 5                   |  |            |
| 3.3 UMS Training                                |                          |  |            |
| 3.3.2 Training workshops                        | 2nd Qtr - 4th Qtrs       |  | Assistance |
| Task 4: EE Opportunity Assessment               |                          |  |            |
| 4.1 Perform Facility walkthroughs/staff         | 2nd Qtr - 4th Qtrs       | Energy Management                      | Drimon     |
| interviews                                      |                          | Assessments                            | Primary    |
