**SUBJECT: Department of Health and Human Services
Extension of Service Provider Agreements**

Dear Board Members:

RECOMMENDATION:

1. Authorize President to approve the Department of Health and Human Services contract extensions for various non-profits and individuals.

Discussion: Attached for your approval is a list of extensions for provider agreements for the first quarter of fiscal year 2005-06 in the Department of Health and Human Services. This extension will allow providers to continue with their current departmental services through September 30, 2005 at the FY 2004-05 contract rates. All of the attached contracts are funded in the baseline FY 2005-06 budget.

Although we strive to complete agreements as quickly as possible, we occasionally encounter delays for reasons that range from changes in the contractor's organization to the need to wait for action by other governmental agencies before the contract can be finalized. As agreements are completed, they will be made effective July 1, 2005 in order to meet State requirements.

Fiscal Impact: The funds represented herein are included in the proposed FY 2005-06 baseline departmental budget.

Community Benefit: Approval of these contract extensions will ensure no disruption in HHS services.
