

HAROLD C. BROWN, JR.  
PRESIDENT  
MARIN COUNTY BOARD OF SUPERVISORS

November 17, 2005

Dear Colleagues,

The California Public Utilities Commission (CPUC) recently issued the draft Proposed Decision (PD) of the Phase II rulings pertaining to Community Choice Aggregation (CCA).

We are please to report that the rulings are largely favorable to the formation of a CCA, with some exceptions as noted in the attached letter.

We respectfully request that you approve these comments to the CPUC for their consideration prior to the final ruling.

Harold C. Brown, Jr.
