**SECTION VIII.** Section 15.57.010 of the Marin County Code is hereby amended to read as follows:

**15.57.010 Purpose.**

Numerous individuals are presently engaged in the unregulated operation of motorcycles, motor bikes, motorscooters and similar vehicles in substantial numbers on public and private property throughout Marin County. The noise and erosion produced by such activity in the aggregate severely damages property, destroys tranquility and serenity, irritates numerous **people** and is inimical to the public peace and safety.

**SECTION IX.** Section 23.18.020 of the Marin County Code is hereby amended to read as follows:

**23.18.020 Purpose and intent.**

The purpose of this chapter is to ensure the future health, safety and general welfare of Marin County **residents** by:

- A. Minimizing discharges other than storm runoff to storm drains or watercourses;
- B. Controlling the discharge to storm drains or watercourses from spills, dumping or disposal of materials other than rain water;
- C. Reducing pollutants in stormwater discharges to the maximum extent practicable.

The intent of this chapter is to protect and enhance the water quality of our watercourses, water bodies and wetlands in a manner pursuant to and consistent with the Clean Water Act.

**SECTION X.** Subsection (a) of section 22.82.010(Interim) of the Marin County Code is hereby amended to read as follows:

**22.82.010(Interim) Purpose**

- (a) It is in the public interest, and necessary for the promotion and protection of the safety, convenience, comfort, prosperity, and general welfare of the **residents** of the county, to:
  - (1) Preserve and enhance the natural beauties of the land and of the manmade environment, and the enjoyment thereof;
  - (2) Maintain and improve the qualities of, and relationships between, individual buildings, structures and physical developments which best contribute to the amenities and attractiveness of an area or neighborhood;
  - (3) Protect and insure the adequacy and usefulness of public and private developments as they relate to each other and to the neighborhood or area;
  - (4) Assure the safe and orderly development of paper streets and/or vacant parcels or legal lots of record which adjoin and/or abut such paper streets, and minimize environmental impacts associated with such development.

**SECTION XI.** Subsection (b) of section 22.96.010 (Interim) of the Marin County Code is hereby

ORDINANCE NO. \_\_\_\_\_

amended to read as follows:

- (b) Unregulated capricious development has caused in the past, and unless controlled in the future, will cause, severe and irremediable injury to Marin County and its environment in that:
  - (1) It has resulted in a severe shortage of housing for **residents** of low and moderate income and sorely limited the economic heterogeneity of the population.
  - (2) It has wastefully compelled construction of public facilities on a crisis basis.
  - (3) It has sorely overtaxed municipal service districts resulting in numerous water and sewerage moratoriums.
  - (4) It has occasioned costs to the taxpayers far in excess of tax gains.
  - (5) It has engendered public skepticism concerning the ability of local governments to protect Marin's environment adequately.

**SECTION XII.** Subsection (g) of section 22.96.010 (Interim) of the Marin County Code is hereby amended to read as follows:

- (g) It would be highly detrimental to the welfare of Marin County and its environs to exclude, intentionally or inadvertently, minority, poor, or aged **residents** from the general populace of Marin County. The only effective means to present such exclusions is the provision of ample low and moderate income housing. Significant federal subsidies are presently unavailable and traditional zoning has been ineffective in this regard. Although Marin is actively engaged in numerous efforts to encourage and compel construction of low and moderate cost housing, only through development review, one of the principal purposes of which is achievement of this objective, is there any likelihood of securing such housing.

**SECTION XIII.** This ordinance shall be liberally construed to achieve its purposes and preserve its validity. If any section, subsection, sentence, clause or phrase of this ordinance is for any reason held to be unconstitutional or invalid, such decision shall not affect the validity of the remaining portion of this ordinance. The Board of Supervisors hereby declares that it would have passed this ordinance and every section, subsection, sentence, clause or phrase thereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses or phrases be declared unconstitutional or invalid.

**SECTION XIV.** Effective Date. This ordinance shall be and is hereby declared to be in full force and effect as of thirty (30) days from and after the date of its passage and shall be published once before the expiration of fifteen (15) days after its passage, with the names of the supervisors voting for and against the same in the MARIN INDEPENDENT JOURNAL, a newspaper of general circulation published in the County of Marin.
