RE: MONTHLY REPORT OF COUNTY, SCHOOLS AND DISTRICT INVESTMENTS as of
December 31, 2005

Dear Investment Fund Participants:

I am pleased to provide the attached Monthly Report of County, Schools and District investments for your review.

* The investments were made pursuant to Government Code Sections 53601, 53635 and comply with the County Treasurer's Statement of Investment Policy. The investment policy provides for:

- Preservation of capital through high quality investments;
- Maintenance of sufficient liquidity to meet participant operating needs; and
- A rate of return consistent with the above objectives.

* Maturities are scheduled to meet participant expenditure requirements for the next six months.

* Attached spreadsheets identify investment type, issuer, maturity date, amount invested and fair market value for each security held. Fair market values were determined by Bank of New York on all securities except for investments in the Local Agency Investment Fund which was valued at face value by us. Adjustments have been made for premiums, discounts and accrued interest on discount securities to make the book value and fair market value more comparable.

I believe you will find this report informative and should you have any questions do not hesitate to call me.

Respectfully submitted,

Michael J. Smith
Treasurer-Tax Collector
