## **22. Beaches and Dispute Resolution**

(1) Disputes - Disputes arising in the performance of this Contract which are not resolved by agreement of the parties shall be decided in writing by the authorized representative of MCTD's Executive Director. The decision of the Executive Director shall be binding upon the Contractor and the Contractor shall abide by the decision.

(2) Performance During Dispute - Unless otherwise directed by MCTD, Contractor shall continue performance under this Contract while matters in dispute are being resolved.

(3) Claims for Damages - Should either party to the Contract suffer injury or damage to person or property because of any act or omission of the party or of any of his employees, agents or others for whose acts he is legally liable, a claim for damages therefore shall be made in writing to such other party within a reasonable time after the first observance of such injury or damage.

Each subcontract the contractor signs with a subcontractor must include the assurance in this paragraph (see 49 CFR 26.13(b)).

(3) The successful bidder/offeror will be required to report its DBE participation obtained through race-neutral means throughout the period of performance.
