Board of Supervisors
Marin County Civic Center
San Rafael, CA 94903

Dear Board Members:

SUBJECT: Preferential parking zone
Hillside Avenue, Kentfield (District 02)

RECOMMENDATION: Adopt the attached Traffic Resolution.

SUMMARY: We have received a petition from residents on Hillside Avenue to establish a preferential parking permit zone. Currently, parking is restricted to 1 hour parking along the north side and is prohibited on the south side fronting the residences. The petitioning residents state that there is insufficient onstreet parking available. Public Works staff has verified that the request was reasonable and valid. Similar preferential parking zones exist on streets adjacent to Hillside Avenue.

FISCAL IMPACT: None
