SUBJECT: Local Government Waste Tire Cleanup and Amnesty Event Grant

Dear Board Members:

RECOMMENDATION: Acknowledge unanticipated grant funds from the California Integrated Waste Management Board and direct the Auditor-Controller to process the following appropriation increases:

1. Approve the attached \$41,741.64 grant from the California Integrated Waste Management Board to fund tire-recycling events and to provide outreach programs countywide.
2. Increase Expense Account 4100081100-5210100 for \$25,000.00.
3. Increase Revenue Account 4100081100-4530527 for \$25,000.00.

SUMMARY: The California Integrated Waste Management Board has established a Local Government Waste Tire Cleanup and Amnesty Event Grant program to provide funds for local public agencies to host tire recycling events and develop Outreach Programs. The enclosed grant is to host two tire collection events at Redwood Landfill and the Marin Resource Recovery Center. The amnesty event will be supplemented by outreach and advertising focused on proper tire care and recycling.

FISCAL IMPACT: \$25,000.00 of the grant funds will be appropriated this year, with the balance to be budgeted next fiscal year.
