SUBJECT: Resolution restricting the use of Pohono Park and Ride lot and providing one parking space for placement of a portable accessible restroom on weekends and holidays May to September 2007.

Dear Board Members:

RECOMMENDATION: Adopt the proposed traffic resolution.

SUMMARY At the December 19, 2006 Board meeting, the Board accepted a report on the 2006 Muir Woods Shuttle operation and directed staff to implement some enhancements for the coming year. One of these enhancements was installation of a portable restroom for the 2007 operational year.

Staff reviewed the site and concluded the best location to be able to install a portable, accessible restroom was the first standard parking stall at the entrance, next to the disabled parking. The attached resolution establishes a 48 hour maximum parking limit, and a No Parking / Tow-away designation for the identified space for Saturdays, Sundays, Memorial Day, July 4, and Labor Day from May 5th to September 30th, 2007.

FISCAL IMPACT: None.
