

**County of Marin**  
*Information Services and Technology*  
David R. Hill Director

August 7, 2007

Marin County Board of Supervisors  
Civic Center  
San Rafael, CA 94903

Dear Board Members:

**SUBJECT:** Contract with MarinIT to provide network design and implementation services for Marin.org.

**RECOMMENDATION:** Approve Contract.

**Summary** Marin.org/MIDAS is in the process of reconfiguring the existing ATM network serving governments, libraries and not for profit customers to a completely new Ethernet based transport. This Project is to be carried out with the least possible interruption of service to marin.org/MIDAS customers.

MARIN IT will work with all participating entities involved to ascertain business requirements, set goals, and collaborate on all aspects of the networks reconfiguration project.

During and after the project is complete MARINIT will provide network maintenance and management services. This will include monitoring configurations and network use, modifying and implementing firewall context policies for customers, managing deployment of wireless for customers, maintaining servers used for web: dns, mail, multimedia hosting.

**FISCAL IMPACT:** This budget center is fully offset by revenue generated from the services provided through the marin.org services (\$120,000). Funding is available in Fund center 360003200.

**ALTERNATIVE TO RECOMMENDED ACTION:** None
