SUBJECT: Agreements with the City of Larkspur and the City of San Rafael
2008 Pavement Rehabilitation Program
Central Region Resurfacing, County Project No. ER080040

Dear Board Members:

RECOMMENDATIONS: Execute the agreements.

SUMMARY: With half of Marina Boulevard located in the City of San Rafael and the other half in unincorporated County, staff worked with the City to develop this joint project. It is recommended that we enter into an agreement with the City to pave the entire road. The agreement delineates the roles and responsibilities of the City and the County throughout the construction project. The Central Region Resurfacing project also includes several roads in the Greenbrae area of incorporated Larkspur. A similar agreement has been worked out with the City of Larkspur.

All work outside of the unincorporated areas will be paid for by each respective city. The agreements have been executed by the respective cities and copies are attached. Bids will be opened on June 26 and your Board has previously authorized the Director of Public Works to award. We will report the results of the award to your Board thereafter.

FISCAL IMPACT: The work performed in the City of Larkspur and City of San Rafael will be paid for by the respective city per the attached agreements.
