**SUBJECT: Traffic Resolution creating Stop control for traffic on Estancia Way at the intersection of Adrian Way (Santa Venetia Area, District 1)**

Dear Board Members:

**RECOMMENDATION:** Adopt the traffic resolution.

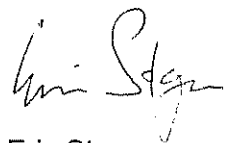

**SUMMARY:** We have received a request from a local resident regarding the intersection of Estancia Way at Adrian Way. The resident has observed that there is a need to establish right of way control for traffic on Estancia Way at the intersection of Adrian Way.

This is an uncontrolled four way intersection without clearly established right of way. Establishment of right of way is a sufficient warrant to justify installation of a stop sign on Estancia Way. We recommend that your Board approve the attached Traffic Resolution which would authorize the installation of a two way stop at the intersection of Adrian and Estancia Way.

**FISCAL IMPACT:** This action will result in the installation and ongoing maintenance of a stop sign and markings. Existing funds are budgeted and available in Cost Center 410061300, Commitment Item # 5220220.
